RE: Johnson & Johnson Derivative Litigation Proposed Settlement

Dear Sir or Madame:

I would appreciate the following be given to Judge Wolfson to be considered in this settlement.

Please know we received three notices of this proposed settlement today, Sept 18, 2012 by US Mail. Attached are copies of the mailing labels. Please know we have brought to the attention of Atty. Cecchi and Atty. Haas by email today that these notices were delivered after the cut-off date for objections, Sept 14, 1012. See attached.

I wish to object to this settlement on behalf of these accounts currently holding J&J shares:

FTMC Custodian – Roth IRA FBO Thomas C Keegan with the address shown above holding 700 shares. See July, 2012 brokerage statement attached.

Thomas C Keegan TTEE, Catherine Henry Trust FBO Catherine Carol Henry same address as above holding 500 shares. See July, 2012 brokerage statement attached.

Objections:

1. Based on the delayed receipt of our three notices it is probable that notices were not delivered to all holders in a timely manner for objection.
2. The settlement requires the company to follow good business practices in the future which is reasonable to assume would have been followed without the settlement. Therefore nothing was gained for the shareholders beyond what could be expected without the action.
3. Shareholders are losing the value of up to \$10,450,000 proposed to be paid to Plaintiffs' Counsel without gaining any shareholder value beyond what could be expected without the settlement.

Thank Judge Wolfson for consideration of these objections.

Sincerely,

Thomas C Keegan
